"Compositional Transport Structures between Serialization and Individuality, the EXPO Urban-Rail Platform for the D South Line in Hannover", sole author, www.detail.de, DETAIL PLUS with additional tectonical drawings, Munich/Germany, 2000

Awards *"Top 10 Amazing Kindergartens where your Children would love to go"*, (<http://www.designrulz.com/design/2014/10/top-10-amazing-modern-kindergartens-children-love-go/>), by "design rulz" for "Göttingen University Kindergarten", Spain, 2016

"ACSA Faculty Design Award", honorable mention for "Academic Kindergarten", USA, 2015

"ACSA Faculty Design Award", for "Architectural Neighboring / Community Grocery", USA, 2012

"ACSA Faculty Design Award", national honorable mention for "Headquarters Krogmann", USA, 2011

"Niedersächsischer Staatspreis für Architektur / Lower Saxony States Award of Architecture 2010" Award, (one of three final nominations) for the "Headquarters Krogman", (only one awarded out of 47 total applications for the theme of "health care, social and manufacturing facilities design"), Germany, 2010

"ACSA Faculty Design Award", national for "Tram Stations", USA, 2009

"ACSA Faculty Design Award", national merit award - selected for presentation "Coffeetime", USA, 2009

"Niedersächsischer Staatspreis für Architektur / Lower Saxony States Award of Architecture 2008", Citation Award for the "Postfossil Ecowoodbox Kindergarten", (only one awarded out of 37 submitted schools and kindergarten projects of total of 74 applications for

the theme of “cultural and educational buildings”), Germany, 2008

“*Biennale Miami + Beach 2007 International Design Award*”, honorable mention for “Postfossil Ecowoodbox Kindergarten”, in category public buildings below 10.000 square feet, (<http://www.bienalmiami.com/>), USA, 2007

“*ACSA Faculty Design Award*”, national merit award, selected for presentation “Military Diner Warbelow”, USA, 2007

“*NIKE Award / National BDA Award*”, top nomination for “Neighborhood Grocery Center Marienwerder”, (<http://www.bda-nike.de/>), Germany, 2007

“*INDEX AWARD 2007*”, competitive selection process (340 nominated worldwide) among 112 top-nominated entries for the international “Biggest Design Award in the World”, project “School for Mentally Disabled Children”, top nominated in the “community category”, (<http://www.indexaward.dk/2007/default.asp?id=706&Article=1980&Folder=1980>), Denmark, 2007

“*BDA Bund Deutscher Architekten Preis Niedersachsen / BDA Lower Saxony Award 2006*”, for “Neighborhood Grocery Center Marienwerder”, Germany, 2006

“*Feinschmecker Preis*”, the culinary award, competitive selection and awarding of project, “Bar and Lounge Coffeetime”, as one of 300 best cafes’ in Germany, Germany, 2005

“*Niedersächsischer Staatspreis für Architektur / Lower Saxony States Award of Architecture 2004*”, for “Neighborhood Grocery Center Marienwerder”, Germany, 2004

“*DEUBAU Preis 2004 / DEUBAU Award 2004*”, young architects award, top nomination for “School for Mentally Disabled Children”, Germany, 2004

“*Deutscher Naturstein Preis 2001 / German Stone Award 2001*”, honorable mention for “EXPO Train Stations”, Germany, 2001

“*BDA Bund Deutscher Architekten Preis Niedersachsen 2000 / BDA Lower Saxony Award 2000*”, citation for “EXPO Train Stations”, Germany, 2000

“*Architekturpreis Metaldächer und Fassaden 2000 / Architectural Award for Metal Roofs and Facades 2000*”, for “pre-patinated copper station of the “EXPO Train Stations”, Germany, 2000

“*Top Ten der EXPO 2000 / Top Ten of the EXPO 2000*”, 6th place for “EXPO Train Stations”, competitive selection by the national magazine DIE WELT, Germany, 2000

“*Deutscher Verzinker Preis 1999 / German Galvanizing Award 1999*”, honorable mention for “EXPO Train Stations”, Germany, 1999

“*Deutscher Städtebau Preis / German Urban Award 1999*”, citation for “EXPO Train Stations”, Germany, 1999

“*ar+d Award 1999*”, emerging Architecture Award for Young Architects of the architectural review for “EXPO Train stations”, London, Glasgow, UK, 1999

"Curricular workshop", Faye Jones School of Architecture, Fayetteville/AR/USA, May 2012

Panel discussion member "AIAS Mid-West quad conference", Lincoln/NE/USA, October 2009

Jury membership "2009 ACSA Concrete Student Competition", Washington DC/USA, June 2009

Jury membership "2009 Xella Student Competition", chapter North, Hannover/Germany, June 2009

Jury membership "2007 Xella Student Competition", chapter East, Berlin/Germany, June 2007

Jury membership "Heintzelman Award 2007" for the best design thesis project, Kansas State University, Manhattan/KS/USA, May 2007

"Uni extern-Auf nach Nebraska/University intern-heading Nebraska", co-authored report about the experience first as a student and later as professor in Lincoln/USA in the University of Hannover newsletter, November 2005

Jury membership "2004 Xella Student Competition", chapter North, Hannover/Germany, June 2004

Jury membership, Student competition "Das Architekturdetail im Gesamtentwurf - the (relevance of the) architectural detail in the overall design", Architektenkammer Niedersachsen, Hannover/Germany, February 2004

Invited academic lectures

California Bapstist University, College of Architecture, Visual Art & Design / USA , fall 2024

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", April 2017

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", Nov 2016

University of Hawaii Manoa / USA, School of Architecture PAN AIAS, Nov 2016

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", April 2016

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", October 2015

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", March 2015

University of Iowa / USA, AAA lecture series, November 2014

University of Nebraska Lincoln / USA, Hyde Lecture Series, November 2014

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", November 2014

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: " green building design and materials ", November 2013

University of Hawaii Manoa / USA, SoA: Prof Leineweber Arch 690: „DHHL BIA H – Home / “issues and opportunities talk“ by Martin, October 2013

Leibniz University Hannover / Germany: "native dwellings", June 2013

University of Hawaii Manoa / USA, SoA: Prof Noe Arch 490: "prefab modular experiences", March 2013

University of Hawaii Manoa / USA, SoA: Prof Ashraf Arch 342: "The Cool H House", January 2013

University of Hawaii Manoa / USA, Department of Tropical Plants and Soil Sciences: "per-formance methodology for our emerging glocal UHM experts", November 2012

Mississippi State University / USA: "the culture of craft & the crafting of culture", August 2012

Yudson University / USA: "being concrete", April 2012

Florida Atlantic University / USA: "sustainability, health and social issues with architecture and urban design", April 2012

University of Applied Sciences Munich / Germany: "design integrated technology", June 2011

Technical University Darmstadt / Germany: "design + technology", September 2010

University of Idaho, College of Art & Architecture / USA: "wood works", April 2010

Portland State University, Department of Architecture / USA: "sustain-ability", March 2010

University of Arizona, School of Architecture / USA: "critical practice", March 2010

University of Nebraska / USA: "Brown Bag lecture: "cash for archiclunkers and heidiklumization of birkenstockitecture", January 2006

University of Nebraska / USA: "free- and raumplan vs no plan" for 2nd year design studio, January 2010

University of Applied Science Karlsruhe / Germany "form follows energy?", December 2009

Alanus University / Alfter-Bonn/Germany: "infrastructural architecture", November 2009

University of Arkansas / USA, "works", October 2009

University of Nebraska / USA: "Despang Architekten´s design process" for 3rd year "design process" adjunct, October 2009

University of Nebraska / USA: "educational design", September 2009

University of Applied Sciences, Munich / Germany "tectonic methodology", July 2009

Peter Behrens School of Architecture, Düsseldorf / Germany "value[s] engineering", May 2009

University of North Carolina / USA: "Technology Integration", April 2009

University of Nebraska / USA: "eco- and archifriendly dwelling" for 3rd year design studio, 2009

University of Nebraska / USA: "free- and raumplan vs no plan" for 2nd year design studio, 2009

Cesuga University College Dublin, School of Architecture / La Coruna / Spain: "woodwork", November 2008

School of Architecture Bremen / Germany: "engineering and architectural tectonics", November 2008

University of Nebraska / USA: "Despang Architekten´s design process" for 3rd year "design process" adjunct, October 2008

University of British Columbia / Vancouver / Canada: "sustain - ability", October 2008

University of Nebraska / USA: "wood + steel" for 4th year "systems" adjunct, October 2008

Leibniz University Hannover / Germany: "postfossil urban dwelling ", June 2008

Leibniz University Hannover / Germany: "mesh-y / working with metal mesh ", June 2008

Leibniz University Hannover / Germany: "systematic building - building systems / Bausysteme", May 2008

Kansas State University / USA: "prosarchitecture", March 2008

University of Nebraska / USA: "Generation P [ostfossil]" in collaboration with graduate student Amber Ellett, UNL Focus the Nation event, January 2008

Leibniz University Hannover / Germany: "Generation P [ostfossil]", wood seminar / lecturing and guided tour of Passive House Kindergarten Hannover, December 2007

University of Nebraska / USA: "wood" for 4th year "systems" adjunct, November 2007

University of Nebraska / USA: "Despang Architekten's design process" for 3rd year "design process" adjunct, November 2007

University of Applied Science Darmstadt / Germany: "extra-ordinary", July 2007

Leibniz University Hannover / Germany: "senses", June 2007

Leibniz University Hannover / Germany: "hybrids", June 2007

Welsh School of Architecture / Cardiff University / UK: "the big S (ustainability)", May 2007

University of Nebraska / USA: guest speaker: Tau Sigma Induction Ceremony, April 2007

University of Nebraska / USA: "an architects thinking and working", Visual Literacy color class, April 2007

University of Nebraska / USA: "wood" for 4th year: systems adjunct, February 2007

University of Hannover / Germany: "lecture for Dutch colleagues", June 2006

University of Nebraska / USA: "Brown Bag lecture: "culinary spaces", March 2006

University of Hannover / Germany: "wood", June 2005

University of Hannover / Germany: "good by lecture", July 2005

University of Applied Sciences Holzminden / Germany: "works", June 2005

University of Applied Sciences Bremen / Germany: teaching position application lecture (finalist / 2nd place): "tectonics", May 2004

University of Applied Sciences Hildesheim / Germany: "works", June 2003

University of Hannover / Germany: "wet spaces", May 2004

University of Applied Sciences Detmold / Germany: teaching position application lecture (finalist / 2nd place): "materials", June 2003

University of Applied Sciences Oldenburg / Germany: "works", July 2002

University of Hannover / Germany: "made in Hannover", August 2001

University of Hannover / Germany: "stone tectonics", May 2001

University of Applied Sciences Hannover / Germany: "works", April 2001

Invited academic critic

University of Iowa / USA, November 2014

Leibniz University Hannover / Germany, invited critic (paid), "Hawaii dormitory student competition" seminar review for Prof. Michael Schumacher, June 2013

Leibniz University Hannover / Germany, invited critic (paid), "horsepower" seminar review for Sven Martens, June 2013

Florida Atlantic University / USA: invited critic 4th year design studio review, April 2012

Arizona State University / USA, invited critic 4th year design studio review for Visiting Professor Jack DeBartolo III, December 2011

Faye Jones School of Architecture, Arkansas / USA, invited crit (paid), end of semester 4th year reviews, December 2011

Arizona State University / USA, invited critic 4th year design studio review for Visiting Professor Jack DeBartolo III, November 2010

University of Idaho, College of Art & Architecture / USA invited crit (paid), April 2010

Kansas State University / USA, invited critic 5th year design studio review for Professor Susanne Siepl – Coates and Visiting Professor Alan Dunlop / Glasgow, November 2009

Kansas State University / USA, invited critic, 5th year urban design studio review for Assistant Professor Ulf Meyer, November 2009

Faye Jones School of Architecture, Arkansas / USA, invited crit (paid), end of semester thesis and 2-year reviews, April 2009

Kansas State University / USA, invited critic (paid), 4th year design studio review for Assistant Professor Nathan Howe, May 2009

Cesuga University College Dublin, School of Architecture / La Coruna / Spain: invited crit (paid), wood studio review, November 2008

University of British Columbia / Vancouver / Canada, invited crit (paid), sustainability studio review, October 2008

Leibniz University Hannover / Germany, invited critic (paid), design studio review "GKD mesh design build bar" for Sven Martens, July 2008

Leibniz University Hannover / Germany, invited critic (paid), design studio review "Dwelling along the water" for Matthias Buchmeier, June 2008

Leibniz University Hannover / Germany, invited critic (paid), design studio review "Building systems" for Katja Ahad, June 2008

Kansas State University / USA, invited critic (paid), 5th year design studio review for Assistant professor Nathan Howe, March+May 2008

Leibniz University Hannover / Germany, invited critic (paid), design studio review "museum for musical instruments" for Katja Ahad, June 2007

Leibniz University Hannover / Germany, invited critic (paid), design studio review "mobile architecture" for Henner Winkelmüller, June 2007

Welsh School of Architecture / UK, invited critic (paid), 1st year design studio final review for Paola Sassi, May 2007

University of Manhattan Kansas / USA, invited critic, "rapid prototypic design" for Nathan Howe, May 2007

University of Hannover / Germany, invited critic (paid), design studio review "" for Han Slawik, June 2006

University of Hannover / Germany, invited critic (paid), design studio review "material inventions" for Julia Bergmann, June 2005

University of Applied Sciences Detmold / Germany: invited teaching application workshop critic (paid), "materials", June 2003

University of Hannover / Germany, invited critic (paid), design studio review "light rail" for Zvonko Turkali, May 2001

University of Applied Sciences Hannover / Germany, invited critic (paid), design studio review "center for mobility" for Bernd Kreikenbohm, March 2001

University of Hannover / Germany, invited critic, design studio review "kindergarten" for Hanspeter Schneider, November 1999

Professional Service

Conferences & Symposia

AIA Inland California design awards, juror, summer 2024

AIA Architecture Month opening Pecha Kucha "Evolution of Kakaako's Tradition" with DeSoto Brown, Honolulu / Hawaii / USA, April 2020

AIA Architecture Month opening Pecha Kucha "Jungleism" with Jonathan Quach, Honolulu / Hawaii / USA, March 2017

"German Hawaii Clean Energy Symposium", invited keynote speaker Honolulu / Hawaii / USA, November 2016

VIII International TMT (Thermal Modification Timber) workshop conference, invited keynote speaker Dresden / Germany, May 2016

"Eco Architecture", International Conference by the Wessex Institute of Technology, invited abstract "Exotics", Alicante / Spain, June 2016

5th International Lafarge Holcim Forum, forum participation invitation, Detroit MI / USA, April 2016

AIA Hawaii Honolulu, panelist "civic architect", Honolulu / Hawaii / USA, October 2015

VIII International TMT (Thermal Modification Timber) workshop conference, invited keynote speaker, Dresden / Germany, May 2014

USGBC Chapter HI, "Build and buy green 2014", "net zero and net positive" 14 annual conference: "universal poetry", Honolulu / HI, May 2014

Plea 2013 conference, "Officehome Oberhaching / (B)avarian Home + UHM (H)awaiian Home" peer reviewed, selected and presented as part of the collaborative paper: "Rediscovering Dwelling" with Barbara Widera PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Munich / Germany, September 2013

Ecocity 2013 conference, "UHM (H)awaiian Home" peer reviewed, selected and invited for presentation as part of the collaborative paper "structures shaping ecocities" with Barbara Widera PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Nantes / France, September 2013

Lecture "Thermal Modification of Wood: Processes, Performance and Applied Design" in collaboration with Patrick Donahue, University of Minnesota-Duluth at the "109th American Wood Protection Association Meeting", Honolulu / Hawaii / USA, April 2013

Keynote speech "North American Wood Windows and Doors Symposium", Roseville / Minnesota / USA, April 2013

Plea 2012 conference, "Headquarters Krogmann and Farmhouse Voges" peer reviewed, selected and presented as part of paper "Environmentally Responsible architecture in Temperate and Colder Climate" by Barbara Widera PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Lima / Peru, November 2012

Keynote speech "First US Thermally Modified Wood Forum", Princeton / West Virginia / USA, 2012

VII International TMT (Thermal Modification Timber) workshop conference, invited keynote speaker Dresden / Germany, April 2012

100th ACSA annual meeting, Faculty Design Award winner presentation: "Architectural Neighboring", Boston / MA / USA, March 2012

"dasHAUS" Net-Zero House Conference, Tempe Arizona, by the German Chamber of Commerce in collaboration with the City of Tempe and Arizona State University, invited panel speaker, Tempe / Arizona / USA, January 2012

Plea 2011 conference "Postfossil Ecowoodbox Kindergarten" peer reviewed, selected and presented as part of her paper "Passive and Low Energy Architecture in Education of Contemporary Architecture" by Barbara Widera PhD Eng. Arch. Faculty of Architecture, Wroclaw University of Technology, Wroclaw, Poland, in Neuve / Belgium, July 2011

EXPO Real, largest German Real Estate Fair, invited keynote speakers to present "Headquarters Krogmann" at the stand of the German Federal Architectural Chamber and the German Sustainable Building Council as selected project out of 8 projects nationwide to represent Germany's cutting edge, contemporary building culture, Munich / Germany, 4-6 October 2010

VI International TMT (Thermal Modification Timber) workshop conference, invited keynote speaker Dresden / Germany, May 2010

97th ACSA annual meeting, Portland, OR, Faculty Design Award winner presentation: "Tram Stations", Portland / Oregon / USA, March 2009

97th ACSA annual meeting, Portland, OR, Faculty Design Award winner presentation: "Coffeetime", Portland / Oregon / USA, March 2009

"Eco Architecture", International conference by the Wessex Institute of Technology, Algarve / Portugal, invited, presented paper in collaboration with design thesis student Amber Ellett: "Generation P[ostfossil]", Algarve / Portugal, June 2008

"A Delicate Balance-Beauty and Ecology in Architecture in a Post-Fossil World", collaborative paper presented by initiating graduated student Amber Ellett, Ometeca Institute, Working conference X on the Relationships between the Humanities and the Sciences, University of South Florida, Florida / USA, June 2008

V International TMT (Thermal Modification Timber) workshop conference, invited keynote speaker, Dresden / Germany, April 2008

Annual meeting of the Arbeitsgemeinschaft PVC & Umwelt / Working group PVC & Environment, Bonn / Germany, paper to be presented: "Stoff für Kunst(t)räume/ Stuff for Art (Dream) Spaces", Bonn / Germany, September 2007

Urban transport conference XI, International, interdisciplinary conference by the Wessex Institute of Technology, Coimbra / Portugal, accepted paper to be presented: "social motion", Coimbra / Portugal, September 2007

95th ACSA annual meeting, Philadelphia / PA, Faculty design project: "Culinary Military Space", Philadelphia / PA / USA, March 2007

Design and Nature III conference, International, interdisciplinary conference by the Wessex Institute of Technology, Southampton / UK, accepted paper presentation: "build trees", Southampton / UK, May 2006

IV International Thermowood workshop conference, paper presented, Leipzig / Germany, November 2005

II International Thermowood workshop conference, paper presented, Dresden / Germany, April 2004

DEUBAU Award presentation at the fairgrounds in Cologne / Germany, 2004

Annual meeting of the Hagebau Company (German Home Depot equivalent), keynote speaker, topic: "architect and material trade" and at the Halle an der Saale / Germany, 2002

Deutscher Klemnertag / German Plumber Day, keynote speaker, Würzburg / Germany, 2001

German Galvanizing Association, paper presented "Steel in architecture", Germany, November 2001

Additional professional service activities

"Think Tech Hawaii" invited by Jay Fidel in his show "Catching up on Kakaako", topic: "What should we build in Kakaako Makai", February 2023

"Think Tech Hawaii" invited by Jay Fidel in his show "Community Matters", topic: "Further international travel adventures in Covid", October 2021

"Think Tech Hawaii" invited by Jay Fidel in his show "Global Connections", topic: "Not all vaccine cards work in Hawaii", August 2021

Eyes on Oahu Episode 6 "Rewilding Architecture" <https://vimeo.com/380820996>, Hawaii / USA, January 2020

Invited endorsement book "The Godfather of Green", Wyatt-McKenzie Publishing, Yudelson / USA, 2020

"Think Tech Hawaii" invited by Jay Fidel in his show "About Leadership", topic: "cynical classicism", February 2020

"Think Tech Hawaii" covering Howard Wiig in his show "Code Green", topic: "Could Hawaii be the new 3D", October 2019

Architectural Review 20th year ar+d award anniversary invited testimonial, London / UK, December 2019

“Think Tech Hawaii” covering Howard Wiig in his show “Code Green”, topic: “energy savings for 70.000 guest rooms”, February 2018

“Think Tech Hawaii” covering Howard Wiig in his show “Code Green”, topic: “Cheap Cooling is Clean”, September 2017

“Think Tech Hawaii” invited guest by Jay Fidell, topic: “Life in Modern Germany”, August 2017

“Think Tech Hawaii” covering Howard Wiig in his show “Code Green”, topic: “Hawaii’s Green Builders”, April 2017

Engineers and Architects of Hawai`i, lecture: “we the people “, January 2017

“Think Tech Hawaii” covering Howard Wiig in his show “Code Green”, topic: “Are PV loans hampering or helping”, September 2016

“Think Tech Hawaii” covering Howard Wiig in his show “Code Green”, topic: “Social Architecture for the Houseless”, September 2016

Engineers and Architects of Hawai`i, lecture: “houselessness “, January 2016

“Think Tech Hawaii” invited guest by Keli ‘I Akina, topic: “Hawaii a creative problem”, January 2016

“Think Tech Hawaii” invited guest by Howard Wiig, topic: “Autoclaving to Perfection”, October 2015

“Hawaii NewsNow TV coverage volcrete initiative”, October 2015

“KITV coverage volcrete initiative”, Hawaii, September 2015

“Civil Beat”, citation by Curt Sanburn in his “ Best Building in Honolulu “ article, Honolulu, Hawaii, October 2015

“Lecture Concrete Facades”, citation by Mrs. Von der Heyde, Decius Bookstore, Hannover / Germany, 2015

“Repioneering Albion – Nebraska” consulting, recognized in “Repioneering” leader Paul Hosford’s brochure “The Story of Yesterdays and Generations), Painted Heart Music, Nebraska / USA, 2015

DOCOMOMO chapter Hawaii Honolulu, board member "Chair of Education", since 2012 – ongoing

State of Hawaii Building Code Council IBC Tropical Revision Team Member, 2014 – ongoing

Invited endorsement book "Solid Wood", Majo, Routledge / Fancis Taylor, USA, 2015

Engineers and Architects of Hawai`i, lecture: “sustainable tropical home design“, April 2014

“Think Tech Hawaii” invited guest with Ali Yamashita, topic: “glocal styles of life”, 2014

“Think Tech Hawaii” invited guest with Howard Wiig, topic: “bioclimatic Hawaii Schools”, March 2014

Invited endorsement book "The World’s Greenest Buildings”, Yudelson/Meyer, Routledge / USA, 2013

Advisory Board Member WoodWorks - Western U.S, California / USA, since February 2012

Goethe Institute, "Kindergartens" (featuring "Göttingen University Kindergarten"), Munich / Germany, February 2012
